

You have 3 days left to register to the ISF Virtual Congress!

Dear Delegate,

You have three days left to register to the ISF Virtual Congress 2021.

[Inspiring keynotes and dynamic panel sessions](#), along with several side events hosted by our sponsors, will be held live from a studio. All these will be available on our congress website, where you will have access to the broadcast of the international panels and partner events and participate in the live discussions. Other elements of the virtual platform include a live chat, social wall, and resource center. Participation is at no cost to you.

Cool prizes await our social media followers

We also have an exciting contest on Instagram and Twitter for our virtual congress delegates and followers where you could win one of two iPhone 12 mobile phones, thanks to our main sponsor Syngenta Seedcare.

How to join

1. Register to the ISF Virtual Congress at congress.worldseed.org
2. Follow @worldseedfed and @Syngenta on Instagram and Twitter
3. Create your own post with your caption telling us how seed has become a part of your life, make sure to tag @worldseedfed and @Syngenta and use the hashtags #ISFVirtual2021 #SeedIsLife to make sure we don't miss your post!
4. You must be above 18 years old to participate. (All legal disclaimers apply)
5. The contest is open from June 30 12NN to July 7 12NN CEST. Winners will be chosen randomly and announced on July 8, 12NN CEST.

Don't miss the most important online event in the global seed sector. [Click here to register today.](#)

Registration will close on the first of July 2021 at 12:00 PM CEST

Seed is life!
